SKILLS

- **Languages:** Python, C++
- **Frameworks:** Django, PyTorch, Scikit-Learn, NextJs
- **Tools/Platforms:** Kaggle, OpenCV
- **Soft Skills:** Continuous Learning, Problem-Solving, Leadership, Team Collaboration, Adaptability

INTERNSHIP

Exemach International (OPC) Pvt. Ltd. | [Certificate](#)

September 2025 - November 2025

• AI SDE Intern

- Developed a real-time surveillance AI achieving **95–98% convict detection**, **40–60 ms** inference latency, and stable performance across **10+ lighting conditions**.
- Built a spoof-proof **RGB + IR 3D facial recognition pipeline** using synchronized depth maps with **>99% anti-spoof reliability**.

Tech Stack: Python · PyTorch · OpenCV · IR Depth Mapping · Scikit-Learn

PROJECTS

Video Restoration with Deep Learning | [GitHub](#)

March 2025

- Constructed a deep-learning system designed to restore blurred and noisy video frames using attention-based architectures for high-fidelity reconstruction.
- Achieved **~85% PSNR improvement** with a custom PyTorch restoration network.
- Added frame interpolation + resolution scaling, producing **~30% clearer outputs** over baseline models.

Tech Stack: Python · PyTorch · NumPy · OpenCV · Video Processing

AI Fashion Wardrobe | [GitHub](#)

April 2025

- Engineered an AI-powered wardrobe assistant that detects clothing items, stores wardrobe context, and generates real-time outfit recommendations.
- Optimized a YOLOv8 + Roboflow detection pipeline achieving **~90% accuracy** in clothing-type and color classification.

Tech Stack: Python · YOLOv8 · Flask · PyTorch · OpenCV · JavaScript

Multi-VM System Context Chatbot | [GitHub](#)

July 2025

- Designed a centralized chatbot system that aggregates logs and system states from multiple virtual machines to enable unified monitoring and Artificial intelligence.
- **Utilized** for cybersecurity training through live attack-defense simulation guidance using real VM data.

Tech Stack: Python · FastAPI · Linux VMs · JSON Log Parsing

CERTIFICATES

- Computer Communications Specialization | University of Colorado (Coursera) | [Certificate](#) November 2024
- Software Engineering: Implementation and Testing | Hong Kong University of Science | [Certificate](#) April 2024

EDUCATION

• Lovely Professional University

Bachelor of Technology - Computer Science and Engineering; **CGPA: 8.02**

Phagwara, Punjab.
Since August 2023

• Narayana Junior College

Intermediate; **Percentage: 89%**

Hyderabad, Telangana.
April 2021 - March 2023

• Narayana Olympiad School

Matriculation; **Percentage: 95%**

Hyderabad, Telangana.
April 2016 - March 2021
